

Salt to Perfection
with Sonoco's

AccuSalt® Dispenser

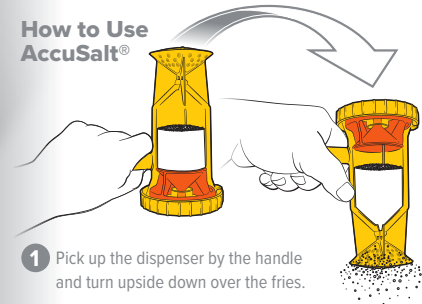

Want to know the secret to perfectly salted foods? It's all in the mechanics.

With Sonoco's proprietary AccuSalt® Dispenser, professional and amateur cooks alike can easily control the intensity and flavor of their foods to deliver a well-balanced, well-seasoned dish. Just turn your wrist and let the rest fall perfectly into place! It's that easy.

Save labor and deliver consistent food quality each time using AccuSalt®, the 'secret' to salting success.

How to Use AccuSalt®

- 1 Pick up the dispenser by the handle and turn upside down over the fries.
- 2 A pre-measured amount of salt will dispense until it is recharged.
- 3 To recharge, simply rotate the dispenser back to the original starting position on the End Cap with the dispersion cone facing up.
- 4 The unit will recharge within 2 seconds.

Benefits

- ▶ **Easy to Use** – Dispense with a turn of a wrist
- ▶ **Easy to Clean** – Wash/rinse without disassembly
- ▶ **Delivers Accuracy** – Distribute repeatable measurements to exact taste/proportions
- ▶ **Reduces Waste** – Eliminate over/under-salting dishes
- ▶ **Optimized Configuration** – Choose dosage, adjust as needed by changing out dosing inserts.
- ▶ **Reliable Performance** – Durable design and constructed with engineered resin that is high heat capable and chemically resistant

Product Specifications

Carton Weight and Dimensions:
21" x 20" x 9"; Weight 12 lbs

Product Code	Dosage	Color
GSS4	2.0 g	Red
GSS3	3.7 g	Black
GSS1	4.2 g	Green
GSS2	5.2 g	White
GSS5	6.5-6.9 g	Gray

A minimum order of two cartons is required (with 12 items per carton). Estimated weights are calculated using standard table salt.

NSF APPROVED
11/9/22
